AN APPEAL FOR PADDY

Paddy came to us in July with a cancerous growth inside her mouth. She was suffering for days when a few kind people came forward to help her out. She is currently at the hospital receiving chemotherapy treatment, but the doctors suggest surgery to remove part of the growth which will help her take in solids.

RANDY RE-HOMED

Randy was our favorite blind boy at the hospital. He came to us 5 years ago after a road traffic accident. His eyes had popped out due to the impact and sadly Randy became blind.

STRESS RELIEF PROGRAM AT ICBT CAMPUS

A stress relief program was organized by the ICBT Medical Science Batch during the month of July. The day was filled with puppy licks and cuddles for both the students and teachers.
