## FEW OF THE MANY RESCUES

**Fanta**

We rescued Fanta from Pannipititya after he was hit by a vehicle. He is currently receiving treatment at the hospital.

**Moby**

Moby was hit by a vehicle and left to die on the streets. He has a head injury and he's still unable to take steady steps to walk. He will be in the hospital for some time as he requires continuous physiotherapy.

**Clara**

Clara is another train accident victim and sadly she will have to undergo an amputation of her leg and have treatment for several weeks
