

JUNE 2017

DOGGY DIGEST

AN APPEAL FOR SUDU

Sudu was brought from Pillyandala with a wound on the side of her stomach. Further investigations showed that it was indeed a cancerous growth. She is currently receiving medical treatment but will need to undergo surgery to remove the cancer once her blood work is better. She needs support with her medical bills. If you would like to sponsor Sudu, please click here.

10 YEARS OF EMBARK

10 years of Embark was a celebration of all the dogs we helped heal and re home over the years. And what better way to celebrate than with an adoption day at the Sooriya Village?

MOBILE TREATMENT VISITS

The team carried out follow up visits in March to check on the pups adopted through our program. We were glad to see all of them doing well with their new families. The team will be carrying out regular follow up visits
