### AN APPEAL FOR ANGI

Embark always tries to raise awareness about the cruelty behind chaining and caging animals. Angi is yet another victim of being chained for far too long. She was rescued from Angoda, with a gaping wound around her neck caused by the rope that she was tied with. Thankfully Angi has made a speedy recovery, and we hope she will be ready to go home soon.

### FOLLOW UP VISITS

The team carried out follow up visits in March to check on the pups adopted through our program. We were glad to see all of them doing well with their new families. The team will be carrying out regular follow up visits
