2016 - A YEAR OF COMPASSION

Going into 2016, Embark is looking to further its efforts to build a compassionate Sri Lanka. Last year we began collecting signatures to get the new Animal Welfare Bill passed in Parliament.

On the 14th of January 2016, the Bill was passed by Cabinet to go through to the legal draftsman. One small but vital step towards getting the legislation we need to protect our animals. No matter where you are in the world, you can speak up for Sri Lanka's animals.

APPEAL: HELP STREET PUPS FIND LOVING HOMES

Adoption is one of Embark's core work areas. Every month we place 40 - 45 puppies in safe and loving homes. However, there is a lot of work that goes into creating this happy moment.

A FOCUS ON CHANGING YOUNG MINDS

Embark has always placed a strong focus on educating the community and spreading awareness. Going into the New Year we plan to expand our school education programme to cover all school age children.

A LANKAN POLICEMAN AND HIS DOG, SENSI

Sensi, the resident street dog at a Police Station in Colombo, found herself pregnant and then also the victim of a car accident late last year. She just managed to hobble back home with a fractured leg.
