LITTLE MOLLY FINDS A HOME!

Little Molly would receive an outpouring of love each time photos of her sitting up on her hind legs with twinkling eyes and a wide smile were posted on Facebook, but what she needed more than anything was a loving home.

This month, Avanthi, who had been following our updates on Molly, approached us about giving this very special girl a home; after her own dog passed away.

SUSTAINABLE RESCUING IS THE ANSWER

Dogs are territorial animals and are known to show clear signs of distress in overcrowded shelters which adversely affects their health and wellbeing. Therefore, putting these dogs in shelters is not a sustainable long term solution.
