OTARA FOR ANIMAL WELFARE!

A big change came our way this month with our founder, Otara, deciding to take a step back from the world of fashion retailing.

O tara will be focusing her efforts on helping animals! She will retain ownership of Embark, and Embark will stand alone as a brand and continue to fund the welfare work that has helped thousands of street dogs since its inception in 2007.

OTTO MAKING PROGRESS

We are glad to share an update on Otto who appeared in our last newsletter. It's always a triumphant moment when a dog with a spinal injury takes her first steps and this just how Otto ended the month of September!

REACHING BEYOND OUR SHORES

A team from Bomosa visited Sri Lanka in September to receive training in Catch-Neuter-Vaccinate-Release (CNVR) processes from Embark and TAPA. Bomosa will be introducing these techniques to the island of Ibo, in Mozambique.

MAHARAGAMA: A NEW DIRECTION

The Maharagama Project is nearing the completion of its third year. Whilst celebrating the project's achievements, Embark is looking to channel more responsibility to local staff and vets, with the team taking on a more support oriented role.

A CARING COMMUNITY: PETER'S STORY

Peter carried his troubles in a large sack-sized growth on his back, and was waiting for a chance to cast them aside.

The Embark team was privileged to help him do just that!
