

OUR IMPACT
OCTOBER 2023

RESCUED FROM THE STREETS

BEFORE

Gigi & Gina

AFTER

Gigi and Gina were abandoned in Ganemulla. Gina had two fractures in her spine and leg when we rescued her. However she was able to recover quickly, and both pups are now waiting to find a home to call their own. The two sisters also joined us for a promotional photoshoot for the 2024 Embark calendar.

You can buy your very own calendar here- <https://whoware.lk/product/embark-calendar-2024/> All models featured in the calendar are rescues, while 100% of the profits will go towards helping street dogs like Gigi and Gina.

BEFORE

Magnus

AFTER

Magnus was rescued from Malabe with a severe skin condition. After many weeks at the hospital, Magnus' fur grew back and he returned to his happy and healthy self. Magnus went back to his community last month, looking unrecognizable from the dog that we rescued, and was welcomed back with a lot of love by the people in the neighbourhood.

FOUND THEIR FUREVER HOMES

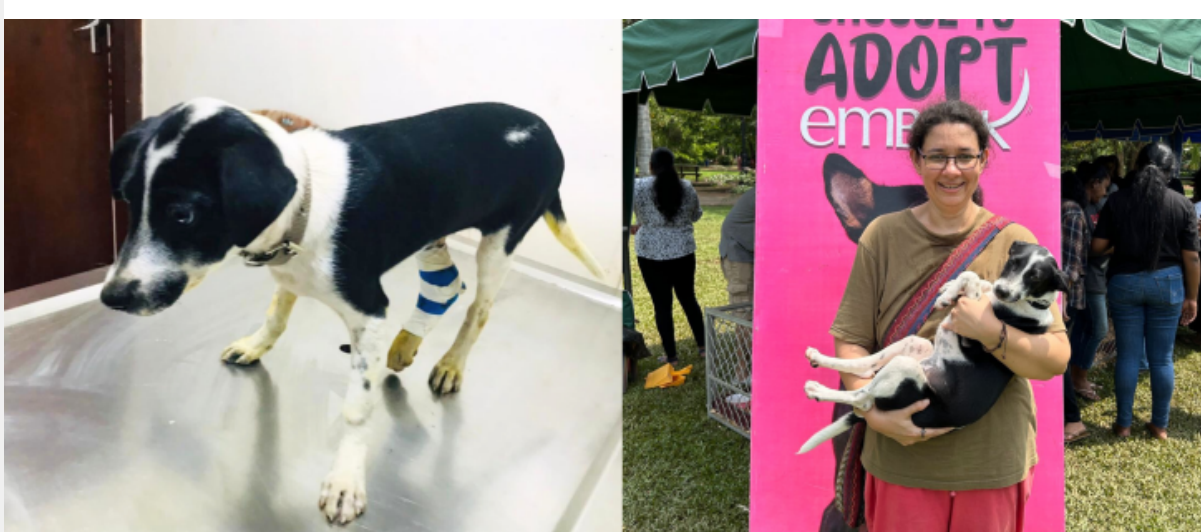

BEFORE

Kajol

AFTER

We rescued Kajol from Kadawatha. She was not able to walk at the time, and had a tick borne infection. She had to undergo an emergency blood transfusion, but she managed to recover fully since then, and was finally able to find a family to call her own.

BEFORE

Tilly

AFTER

Tilly was rescued from Thalawathugoda and she had a small wound on her leg, which caused swelling and limping. After spending some time at the hospital, Tilly was able to recover and find a new furever home at one of our adoption events.

RECOVERING AT THE HOSPITAL

Whisper

Alee

Whisper was rescued from Weyangoda with a head injury, possibly caused by abuse. He was unable to move or balance his body when he was admitted to the hospital. Whisper is still at the hospital receiving treatments.

Alee was found in Athurugiriya, and was not able to move at the time. The vets found that she had a spinal fracture, and she was immediately admitted to the hospital where she is receiving further treatments.

EMBARK NEWS

The Rotaract Club of SLIIT organized a carnival to raise funds for Embark's rescue operations, as well the Peradeniya Veterinary Research Institute. Five of our sweet rescue pups were also able to find their furever home at the Embark adoption stall set up at the event, which was held on the 28th of October at the Viharamahadevi Band Grounds.
